Dear Judge Ramos:

Counsel for Plaintiffs, Maria Vecchio, et al. (“Plaintiffs”) write this letter to request a two-week extension of the May 17, 2023 deadline to resubmit the revisions to the Amended Settlement Agreement, as outlined by the Court in the April 18, 2023 telephone conference. Plaintiffs and Quest Diagnostics, Inc. et al (“Defendants”) continue to confer about the modified the opt-in and opt-out procedures to comply with the FLSA requirements. This morning, the parties participated in another virtual meeting and determined that the settlement documents still require further revisions to ensure consistency within the settlement clauses and other settlement documents. Counsel for Plaintiffs has conferred with Defendants who do not oppose to this extension request. Therefore, Plaintiffs respectfully request that the Court extend the May 17, 2023, deadline until May 31, 2023, so as to enable the parties to engage in additional discussions and finalize the settlement agreement revisions.

Thank you for Your Honor’s consideration of this request.

Respectively Submitted,
